

IT Data Solutions Awarded Prime Multi-Year Federal Reserve Board IT Contract

IT Data Solutions awarded a five-year contract for the maintenance and security of current and future on-premise, cloud solutions, and IT infrastructure

MIAMI, FL, USA, January 30, 2019 /EINPresswire.com/ -- The [Board of Governors of the Federal Reserve System](#) has awarded Hispanic-owned information technology leader [IT Data Solutions](#), a Prime Contract on its Indefinite Delivery/Indefinite Quantity (IDIQ) vehicle for Information Technology Services. Under this prestigious contract IT Data Solutions, an SBA 8(a) certified firm, will provide support for projects associated with the maintenance and security of current and future on-premise, cloud solutions, and infrastructure.

Among the 10 functional service areas to be supported by IT Data Solutions under this federal contract are:

1. Administrative and Data Entry
2. Business Intelligence
3. Change Management
4. Configuration Management/Enterprise Architecture
5. Program and Project Management
6. Systems Analyst/Engineer
7. System Development/Database Administration
8. Security/System Administration
9. Technical Writing
10. Training

“

We are very proud to have received our first major U.S. Government Award. We are confident that as Prime Contractors, the Federal Reserve will become a cornerstone of our U.S. Government portfolio.”

Abel Herrera

Abel Herrera, CEO of IT Data Solutions

“We are very proud to have received our first major multi-year U.S. Government Award. We are confident that as Prime Contractors, the Federal Reserve Board will become a cornerstone of our U.S. Government portfolio,” said Abel Herrera, President, Founder, and CEO of IT Data Solutions. Herrera added: “This opportunity is the direct result of our involvement with the [United States Hispanic Chamber of Commerce](#) (USHCC) and its Hispanic Business Enterprise (HBE) development program. As an HBE firm, we

participated in the USHCC National Convention and the USHCC Legislative Summit matchmaking events and developed beneficial relationships with federal buyers and key decision makers. This was great ROI for our Hispanic-owned business.”

About IT Data Solutions

IT Data Solutions is a Miami-based management consulting services provider specializing in Information Technology (IT) solutions and tools for large private and public sector clients. As self-performing Program Managers, we provide: Application Development (App Dev), Data Warehousing (DW), Business Intelligence (BI), and Data Analytics to assist with your enterprise IT data architecture.
