

Super Brush LLC Exhibiting at MD&M West 2019

Super Brush will be showcasing their swabs for device assembly operations, swabs for inclusion in medical kits and trays, and swabs for cleaning electronics.

SPRINGFIELD, MA, USA, February 1, 2019 /EINPresswire.com/ -- Building on [Super Brush's](#) successful 2018 MD&M West show, the Super Brush team will return to Anaheim to meet with medical design and manufacturing attendees. Super Brush will be showcasing their swabs for device assembly operations, swabs for inclusion in medical kits and trays, and swabs for cleaning electronics and printers.

The MD&M West show will be on February 5-7th at the Anaheim Convention Center. There will be over 19,000 attendees and over 1,900 exhibitors. The Super Brush team will be located at booth 1863 to answer any questions about foam swab technology.

SUPER BRUSH
A SWAB FOR EVERY JOB

Super Brush LLC

Wide-range of foam swabs

According to Misty McGinnes, Super Brush's General Manager, "Face to face meetings with manufacturers and product developers are critical in the current, fast-paced, and ever-changing arena of global supply. Although Super Brush has been serving this industry for decades, the MD&M West show is a perfect opportunity to demonstrate the value a US manufacturer of innovative, precision cleaning products can provide."

“
