Local business professional, Robert Dale, brings established home inspection brand to Alberta

SYLVAN LAKE, ALBERTA, CANADA, February 4, 2019 /EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, announces the opening of a new location in Alberta, Canada, owned by Robert Dale.

Dale brings more than 20 years of experience renovating and inspecting homes to his new business. His passion for residential construction and renovating homes began as a child. The experience he has gained over two decades serves as a solid background to launch a HouseMaster Franchise.

HouseMaster®

He learned about HouseMaster while researching successful businesses that he could bring his experience and passion to.

“I wasn’t happy working full-time for somebody else. I love residential and always have, but I wanted to get back to owning my own business that allowed me to actually help people the way I know I can,” Dale said. “The quality of work I know I am capable of is what motivates me to run this business as successfully as I can.”
