The India branded luggage bags market is dominated by three players, Samsonite, VIP Industries Limited and Safari. The market will be competitive, due to more foreign brands plan to expand its market share, like Tommy Hilfiger, Delsey, Briggs and Riley, Rimowa, VF Corporation (Eagle Creek and Eastpak), Travelpro and Victorinox etc. These brands are tapping the evolving Indian consumer at a rapid pace. The competition is expected to intensify further as these players are estimated to make a significant contribution in the organized segment of luggage industry. If the branded luggage bags sector can hold its growth momentum, then the luggage industry is going to be the leading player in the consumer durables category in the next couple of years.

Hypermarket channel continues to witness the strongest growth amongst all channels suggesting that Indian consumers are showing preference towards affordable luggage and convenience of modern shopping formats which are clean and air conditioned. E-commerce is another channel to look for in the near future as it rapidly expands with Indian consumers.
