ORLANDO, FLA, UNITED STATES, February 6, 2019 /EINPresswire.com/ -- Jennifer Nyiri of Alyce n Maille

(<http://alycenmaille.com>) is pleased to announce that actress Ellen Tamaki wore the designer's handcrafted

stainless steel [Eclipse Pendant](#) on Episode 111 of CW TV's "Charmed." The episode aired January 27, 2019. This marks the 11th television placement for Alyce n Maille jewelry, which has previously appeared on "Arrow," "Bones," "Jane the Virgin," "The Originals," and "The Vampire Diaries."

"Seeing my Eclipse Pendant worn by Ms. Tamaki on the episode "Witch Perfect" was great fun! The necklace is reminiscent of celestial events of the sun and moon, making it a perfect fit for the show's 'supernatural' spirit," remarked Jennifer.

This original Alyce n Maille design was selected for Ms. Tamaki, who plays character Niko Hamada, by the wardrobe stylist for "Charmed," in collaboration with California-based The Artisan Group®.

The unique and stylish pendant was handcrafted by Jennifer using high quality stainless steel. She notes, "It's the perfect minimalist piece... with an individual touch." She adds that, "stainless steel is a terrific alternative to sterling silver since it has all the strength, beauty and drama of silver, yet doesn't tarnish."

The necklace retails for \$35.00 and is available to [purchase](#) at [alycenmaille.com](http://alycenmaille.com).

Also on "Jane the Virgin," Golden Globe winner Gina Rodriguez wore a Crystal and Gold Bracelet on Episode 314 (air date March 20, 2017) and Carrie Madsen (playing fertility clinic director Diane) wore a Blue Twist Necklace on Episode 122.

In December 2016, the company's Forever Gold Tassel Earrings were worn by actress Kristen Gutoskie (playing character Seline) on the mid-season finale of the CW Network's "The Vampire Diaries." This was the fourth appearance of Alyce n Maille jewelry on that show, with Candice King (as Caroline Forbes) wearing a pair of Keepsake Crystal and Pearl Earrings on Episode 521; Nina Dobrev (as Elena Gilbert) donning a Blue Frost Crystal Pendant on Episode 622, and Scarlett Byrne (as Nora Hildegarde) modeling a pair of Lilac Crystal and Gold Earring on Episode 706.
