Many centuries ago, in a land beyond the seas and mountains, lay the Great Eastern Nation. It was ruled by a gracious and cordial Emperor, whose rule blessed the land with a stable and peaceful existence. Many who served the Emperor loved him and wished for his rule to endure, but he also had cunning enemies. One day the Emperor received an invitation to a marriage ceremony. Traitors saw this as their chance, and poisoned him.

The Emperor has gone. Now it is your chance to leave your mark on Eastern History! Your legacy will be remembered as one of either admiration or hatred. Those who show courage and determination will reshape the history of the East.
