

Supermarkets in Thailand : Status, Trends, Size, Opportunities Analysis & Forecast 2023

WiseGuyReports.Com adds "Supermarkets in Thailand - 2018" research report to its database

PUNE, MAHARASHTRA, INDIA, February 8, 2019 /EINPresswire.com/ --
Description :

Supermarkets largely focus on offering everyday essentials in Thailand. With Thailand's economy still being unstable, many households remain cautious about unnecessary spending. The main customer base for supermarkets is mid- and high-income consumers, which also helps to support sales. These factors resulted in supermarkets seeing stronger value growth than other areas of grocery retailing in 2018. Operators of supermarkets are focused on adding convenience for customers such as by providing co...

Euromonitor International's Supermarkets in Thailand report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.
