

Senior Military Briefings on Air Operational Superiority & Safety Priorities at Defence Aviation Safety Conference 2019

SMi Group Reports: Senior military officials to present at the Defence Aviation Safety conference in London this April.

LONDON, UNITED KINGDOM, February 11, 2019 /EINPresswire.com/ -- SMi Group are delighted to present [Defence Aviation Safety 2019](#), taking place in London on the 29th-30th April. The two-day conference, which is supported by the Defence Safety Authority (DSA), UK MoD, will feature three senior military briefings on 'Operational Superiority and Safety Priorities':

Air Commodore Mark Chappell, Typhoon Force Commander, Royal Air Force will present: 'Typhoon Force: Delivering Air Superiority and Combat Effectiveness Whilst Ensuring Safety', covering:

- The role the Typhoon force plays in supporting UK operations at home and abroad
- Enabling complex deployment of air assets across a global network
- Keeping safety front of mind when delivering air power through fast-jet and ISTAR platforms
- Feedback from recent combat operations and how these are driving future safety considerations

Brigadier General Bradford J Gering, Assistant Deputy Commandant Aviation, US Marine Corps will present 'Maximising Combat Operations Whilst Maintaining Airworthiness and Safety', covering:

- Ensuring a rapidly deployable and agile USMC Aviation Capability
- Airworthiness priorities and standards
- Keep safety in mind when developing next generation aviation capability

Colonel Steven G. Owen, Director of Safety for Air Combat Command, ACC, US Air Force will present 'Ensuring Combat-Ready Forces For Rapid Deployment', covering:

- Why safety must remain the number one priority of the US Air Force
- Examining challenges to air safety in the modern battlespace: - Overcoming Cyber Threats - UAS and Counter UAS strategies - The Rise of urban warfare
- Weapon Systems Safety
- Working with allied forces to improve mutual recognition of platforms and systems

Defence Aviation Safety Conference 2019

The Defence Aviation Safety conference will also feature more presentations from safety regulators, operators and leading industry safety providers all throughout the conference, with a focus on enhancing military capability through improved safety standards, certification and data management.
