Jesvlyn, recently said in an excerpt from a five-star review, "As a Cancer patient recovering from a life saving major surgery, my doctor advised me I could not fly or take long road trips. I saw a commercial for this cruise line and knew that I could handle a two-night cruise. So I first booked a cruise on the Grand Classica for my birthday in July. It was perfect. No long lines, no dealing with crowds, everything from embarkation to disembarkation went smoothly. The rooms were spacious, the restaurants and food were outstanding, great entertainment. Do not be fooled by the price. The quality of the service you receive is unbelievable... I not only highly recommend this cruise liner, I look forward to cruising with them again soon."
