

Kastech Software Solutions leads the Digital Transformation track at World Quality Summit

Kastech Software Solutions participates in World Quality Summit 2019

CHICAGO, IL, USA, February 13, 2019 /EINPresswire.com/ -- [World Quality Summit](#), the world's premium technology summit for quality assurance professionals in association with Asia Inc. 500, a digital platform for celebrating, recognizing and awarding thought leaders and industry stalwarts across Asia, is all set to host India edition of the conference on 22 February 2019 at T-Hub, Hyderabad.

World Quality Summit will be conducted across Hyderabad (India), Singapore, London (UK) and Chicago (USA) with over 3000 testers. 30 speakers and 15 workshops followed by Global Business Excellence Awards - 2019, Asia's biggest awards gala.

With technology disruption radically transforming almost every sphere of business, innovation has emerged as the key differentiator for enterprise success. This exciting new dynamic is driving corporates to develop newer delivery models to fully capitalize on the benefits brought on by delivering game-changing products and solutions.

“

We are proud to be a part of this global event and meeting the best QA minds in the World. Kastech offers a wide variety of solutions in QA for ERPs and Web/Mobile Applications.”

Suresh Katamreddy, Vice President, Kastech SSG
