

Cavisson Systems enables transformation of the Enterprise Performance Monitoring and Management

Cavisson Systems Sponsors World Quality Summit 2019 Hyderabad

CHICAGO, IL, USA, February 15, 2019 /EINPresswire.com/ -- [World Quality Summit](#), the world's premium technology summit for quality assurance professionals in association with Asia Inc. 500, a digital platform for celebrating, recognizing and awarding thought leaders and industry stalwarts across Asia, is all set to host India edition of the conference on 22 February 2019 at T-Hub, Hyderabad.

World Quality Summit will be conducted across Hyderabad (India), Singapore, London (UK) and Chicago (USA) with over 3000 testers. 30 speakers and 15 workshops followed by Global Business Excellence Awards – 2019, Asia's biggest awards gala.

With technology disruption radically transforming almost every sphere of business, innovation has emerged as the key differentiator for enterprise success. This exciting new dynamic is driving corporates to develop newer delivery models to fully capitalize on the benefits brought on by delivering game-changing products and solutions.

Commenting on the launch of World Quality Summit, Yoon Kim, Global CEO, Asia Inc.500 said, "We are incredibly excited to be honoring, celebrating and hearing from some of the best minds in the QA space. As a premier media platform and in association with [Cavisson Systems Inc.](#), we are primed to create structured and curated new avenues of growth for the Performance Testers community - professionals and corporates alike through a global avenue such as this summit".

"The innovation and creativity that we bring to each client opportunity is based on a combination of a top-notch technology and industry best practices. Our software products & implementation services are utilized by the world's top companies. We intend a larger audience to benefit from our and our customers' experience.", said Anil Kumar, Founder and CTO, Cavisson Systems.

"By participating and taking active roles in these events and industry alliances, we will be able to offer our insights, lessons learned, and recommendations to others in the space. Allowing us to better understand the needs and concerns of our customers, is on top of our priorities for the year. We encourage all within the industry to register for this fantastic show, and engage in collective conversations with us.", said Neeraj Jain, VP Engineering, Cavisson Systems.

CAVISSON

Our attendance at WQS underscores our dedication to help DevOps reshape their strategies and best practices to adapt to the dramatically-changing performance engineering landscape - Performance 2.0."

Shashank Srivastava, Director of Global Marketing
