"As the world urbanizes and environmental damage increases devastating the lives, health, and livelihoods of people around the globe, action has to be taken to protect the environment," said Executive Director of The Way to

Happiness Association Tampa Bay, Ms. Tanja Cranton. "That starts right here in your own back yard in our homes and in our neighborhoods."

According to Keep America Beautiful, \$11.5 billion are spent every year to clean up litter in the USA. There are also some 9 billion tons of litter that end up in the ocean every year.

The Way to Happiness volunteers were cleaning up the Adopted Mile of the Pinellas Trail in Clearwater taking action to protect and safeguard and improve the planet.
