Baristas CBD Super Bowl

advertising its Baristas EnrichaRoast CBD Coffee at the Super Bowl, The Grammys, and just advertised its products nationally on the NFL TV network and other mainstream media. CBMJ was responsible for booking all of the Cannabis derivative advertising. CBMJ is the only company that [ReelTime Media](#) (OTCPK:RLTR) will allow cannabis ads to be placed through on their networks or portals. The episode also discusses the impact of the recent acquisition by Aurora Cannabis of Whistler Medical and the recent surge in investments pouring into both companies. Also discussed is how some companies are leveraging essentially a rollup model like in the 90s with telecommunications conglomeration.

In addition to owning radio flagship LoudMouth News, Canna Broadcast Media helps solve this problem for cannabis companies needing to advertise in certain mainstream media, while allowing its investors to take advantage of the emerging marijuana market without any of the risks that plague companies involved in federally illegal activities. CBMJ has proven an ability to get advertisements for cannabis products and businesses on mainstream media. CBMJ has established relationships in Radio, Print, TV, and online on a National and Canadian basis that allow it to get Marijuana products and companies access to mainstream media in ways that without CBMJ, are currently just not possible. As the market coverage of the flagship LoudMouth News program continues to grow, the content development side of the company continues to develop Dedicated News Coverage, and Entertainment Programming within the Cannabis Sector.

About CBMJ: (CBMJ) dba Canna Broadcast Media specializes in getting mainstream media cleared promoting the cannabis sector including network TV, radio, and digital ads targeting those who wish to take advantage of the incredible investment opportunities that exist in the cannabis sector. Canna Broadcast Media acquired "LoudMouth News" www.loudmouthnews.com which became the first and longest running syndicated terrestrial radio news program that focused on the news relating to the marijuana industry. LoudMouth News presents the news and commentary in an entertaining neutral manner highlighting the most impactful current news in politics, products, sociological issues, businesses, and the ever-changing perceptions of marijuana usage.
