Wise.Guy.

Corporate leadership training expands the capacity of individuals to perform in leadership roles within organizations.

Instructor-led training is beneficial when the training material is new or complex and requires face-to-face interaction. According to our industry research report, the instructor-led training segment accounted for the major shares of the corporate leadership training market.

In terms of geographic regions, North Americas will be the major revenue contributor to this corporate training market. The presence of MNCs fosters the demand for cross-cultural training programs in the region. The region witnesses a rising number of start-ups, which will offer significant growth opportunities to the vendors.

In 2017, the global Corporate Leadership Training market size was xx million US\$ and it is expected to reach xx million US\$ by the end of 2025, with a CAGR of xx% during 2018-2025.
