Jessica's current single, "Thank God It Didn't Work," has resonated with her fans receiving over 1.7 million video views on Facebook and reaching the Top 100 on the Mediabase Country Radio Chart. Concurrently, the past year has seen Meuse increasing her live performance schedule with band performances at festivals and shows around the country, while also continuing her extensive radio station tour.

This month has also marked the first time that Jessica was able to attend the GRAMMYS.

“Growing up I was used to sitting on my couch watching the show from Slapout, Alabama,” recalls Jessica. “So, to actually be there being interviewed by press on the red carpet at MusiCares and attending the televised show are a dream come true. I remember years ago saying I'm gonna be there one day and now I've done it. Now I'm saying I'm going to play there next!”

The next tour stop for Jessica is Saturday, February 23rd at Jackson Rancheria Casino in northern California and she

will also continue contributing to various charitable events this year as a St. Jude Hero.
