

Registration Opens for the Military Space USA Conference

SMi Group reports: The Military Space USA conference and exhibition will convene in LA, June 11th & 12th 2019.

LONDON, UNITED KINGDOM, February 27, 2019 /EINPresswire.com/ -- SMi Group, organizers of Global MilSatcom, are proud to present the eagerly awaited, [Military Space USA conference](#) and exhibition, taking place in the heart of industrial space innovation and procurement – Los Angeles.

Featuring high level briefings from senior leadership across industry, government and allied partner states, Military Space USA will provide a holistic overview of developments in

the 4th domain, including how organisational efforts such as 'SMC 2.0' are facilitating and delivering the space supremacy that is demanded by the warfighter.

Attendees will get the chance to meet and [network with over 140 peers](#) including: defence agencies, militaries, governments, disruptive agile space companies across the Silicon Valley along with established industrial primes that lead in the space domain.

For those interested in attending, places can be booked at <http://www.milspaceusa.com/einpress>

Highlights of this year's agenda include: Delivering the Disruptive; Position, Navigation and Timing; Future Concepts and Capability; Space Situational Awareness (SSA); PAC & International Updates; SatCom; Space Assets in Support of Missile Defence; Small Satellite's and Launch Moving Forward; Battlefield Management Command and Control (BMC2); Theater Tactical and Hosted Payloads; Technologies and Capabilities to Build a Disruptive Architecture and many more.

Some of the many confirmed speakers include:

- Major General Stephen Whiting, Commander, 14th Air Force and Deputy Joint Space Component Commander, US Air Force
- Colonel Nickolas Kioutas, Positioning, Navigation, and Timing, PEO, US Army
- Colonel Patrick Williams, Commander, 2nd Weather Group, 557th Weather Wing, US Air Force
- Colonel Kapil Jaiswal, Director, Directorate of System Applications, Directorate General of Signals, Indian Armed Forces
