Description:-

Processed Fruit and Vegetables Market Indonesia 2023

Frozen processed potatoes was the fastest growing area in 2018, supported by numerous product launches. Historically, the availability of different brands in this area has been limited, with demand mainly coming from affluent expatriates. However, in 2018, it was observed that the acceptance of frozen processed potatoes for daily household consumption was rising due to demand from younger people, who often lead fast-paced lifestyles and are looking for convenience. Examples of product launches i...
