Center Valley dentists at Castle Dental providing dental implants

Castle Dental's [Center Valley dentists](#) utilize the latest technology to ensure patients receive the best care and walk away with a confident smile.

"We take a 3D CT scan on our patients," explains Dr. Matthew Lang of Castle Dental. "This provides an easy, comfortable, and immediate diagnosis for patients. We fabricate surgical guides to ensure optimal implant placement"

Dental implants are placed into the jaw bone and become integrated over time. The implant is restored with an abutment and crown. However, Dr. Lang advises that not every patient may be a candidate for dental implants.

Castle Dental also provides sedation dentistry, dental crowns, general dentistry, and [cosmetic dentistry](#). To learn more about dental implants in Center Valley, or other dental treatments available, visit <http://castledentalcare.com/appointment-request/> to request an appointment.
