

HouseMaster Home Inspections Expands to North Central Indiana

Local business professional, Tony Johnson, brings established home inspection brand to Delphi, Lafayette, Kokomo and Monticello

KOKOMO, IL, USA, February 27, 2019 /EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, announces the opening of a new location in North Central Indiana owned by Tony Johnson.

Johnson brings years of problem solving and professionalism as a former government auditor. His experience working with deadlines and being detail-oriented serves as a solid background to launch a HouseMaster home inspection business.

He learned about HouseMaster through both research and networking with current franchise owners and decided that he wanted to help others.

“Homebuyers are about to make the biggest purchase of their lives. I understand how this decision can be a daunting one, and I want to be the person who others can trust,” Johnson said. “By giving truthful and unbiased inspections, I know that I can help people make a good, quality choice. I have gained enough experience and knowledge that will allow me to not only work for myself, but also bring the original home inspection brand to my hometown.”
