

HowToMoodle does How to Reporting & Analytics with IntelliBoard

HowToMoodle, a Moodle and Totara partner, has joined forces with IntelliBoard to provide clients new reporting and analytics tools to improve eLearning.

MONROE, CT, UNITED STATES, March 13, 2019 /EINPresswire.com/ -- [IntelliBoard](#) has joined with the well-established Moodle LMS and Totara Learning Solutions partner, HowToMoodle, to provide extensive reporting and analytics to its Moodle and Totara clients throughout the UK and Europe.

HowToMoodle clients now have the benefit of a full suite of more than 130 reports and analytics tools to inform a powerful learning environment backed by data. In addition, IntelliBoard also provides a visual report builder and an SQL builder for folks who wish to build their own reports. IntelliBoard provides user-friendly, on-demand, real-time insight to inform educational business decisions - to improve workflow for businesses, educational institutions, and other LMS training implementations.

“

We are thrilled to partner with IntelliBoard to help us empower clients to access the data they need to evaluate current performance and drive their future LMS vision.”

*Ray Lawrence, Director,
HowToMoodle*

Ray Lawrence, Director of HowToMoodle, stated “We’re the leading UK Moodle experts and Totara Platinum partners. Our client focused, continuous improvement approach means we are always listening to our client’s requirements, enabling them to aim higher. We are thrilled to partner with IntelliBoard to help us empower clients to access the data they need to evaluate current performance and drive their future LMS vision.”

“Having met Ray last year at the Moodle Moot UK/IE, I understood him to be a major figure in the Moodle/Totara worlds,” stated Dr. Tonya Riney, EVP, IntelliBoard. She

continued, “Ray was a presence. He knows so much, and the innovations led by HowToMoodle are incredible. We’re so excited to add HowToMoodle to the IntelliBoard family.”

About IntelliBoard

IntelliBoard.net offers analytic and reporting services to education communities and institutions who use Blackboard Learn, Canvas, D2L, Moodle™ or Totara Learn. IntelliBoard extracts the statistical data collected within the LMS, and presents this rich data on a single dashboard in the form of easy-to-read, aesthetic, and printable charts, graphs, and formatted reports. We strive to

be the premier analytics dashboard for LMS users. Feel the strength of empowered learning with our purposefully built analytics for education and training. Our mantra: provide the best instantly-available, most-simplified point-and-click access your LMS data to inform your educational business decisions.
