

Online & Live – A New Way Forward for LOBO: Where no platform has gone before.

LOBO Systems has announced the opening of its new digital training studio, in Derby, United Kingdom

DERBY, DERBYSHIRE, UNITED KINGDOM, March 1, 2019

/EINPresswire.com/ -- In line with LOBO's policy of [using technology to promote & accelerate growth](#), it is now possible to schedule online [training](#) from LOBO's UK corporate office in Derby.

The online and live training courses are shorter and are not a direct replacement for face-to-face training, however the training course content is extremely valuable, and it furthers, a safe working culture.

LOBO Training Center

Also, it will provide an opportunity for training in areas out of economic reach.

“

We wish to encourage all customers to experience our online training program and ask potential customers to schedule a product demonstration, as seeing LOBO is believing.”

Robert Bokros CEO LOBO Systems

LOBO's new online courses will give the opportunity for our new customers to increase safety and reduce cost when working at height, wherever they are located.

Another benefit is the ability to provide online live product demonstrations which translates into LOBO having a [global reach](#).

Paul Timson, LOBO International Sales Director comments: “We see the opening of this studio as a major step forward in our quest to develop sales in global areas where we

have no certified distributors.

“We are therefore very excited about what this can bring to LOBO as a global manufacturer in the work platform business.”
