

Biggest Catalog of Amazon Software Launches in March 2019

FBA Catalog made to help Amazon Sellers to make well-informed decisions about FBA Software they fit best.

HONG KONG, CHINA, March 1, 2019 /EINPresswire.com/ -- [Skylup](#), a software company focused on eCommerce solutions, announced today the launch of software catalog for [Amazon](#) Sellers at [fbacatalog.com](#)

[FBA Catalog](#) made to help Amazon Sellers to better understand the marketplace they are working within, and make well-informed decisions about FBA Software they fit best. It's a web resource that features a streamlined, simplified design and improved functionality, which is regularly updated with new tools and solutions for the Amazon ecosystem.

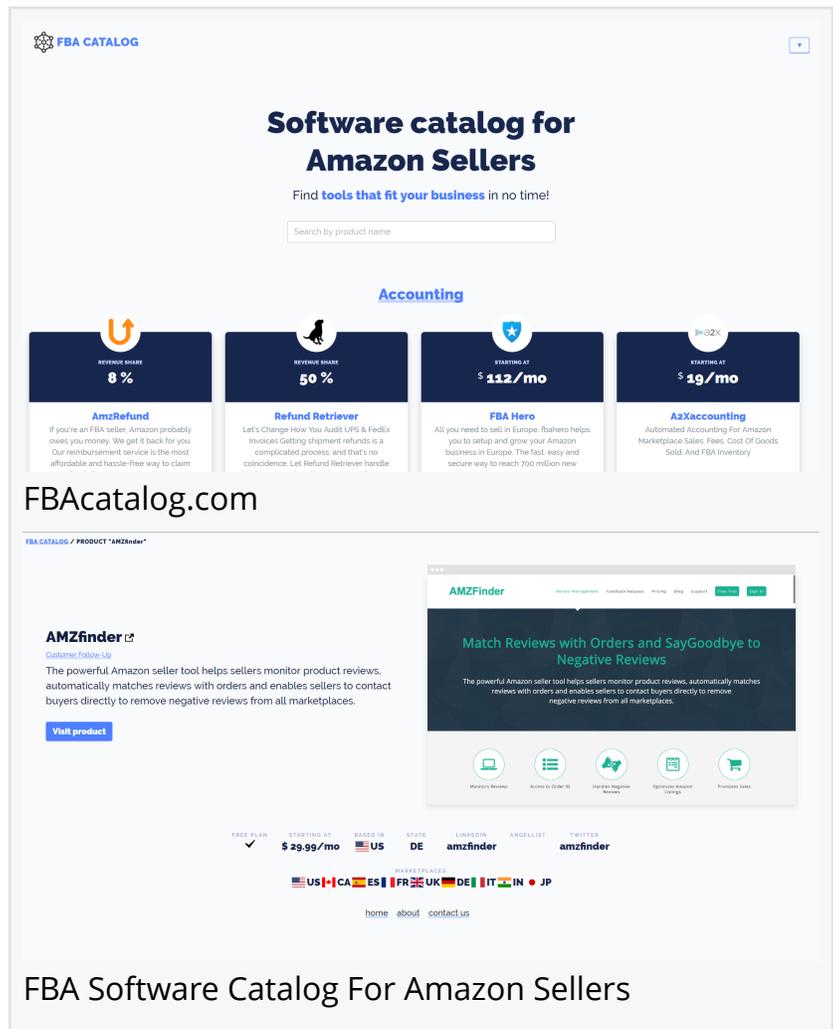

The catalog will be free for visitors. Also, the catalog will accept applications from FBA software companies for a paid listing of their products. Clients can choose between Standard or Premium listing, depending on their needs in exposure.

Skylup Limited is a software consulting company at heart, but on a mission to empower the next wave of independent online entrepreneurs. The last couple of years' team was working hard to help Amazon Sellers take a business to the next level.

The screenshot displays the FBA Catalog website interface. At the top, it says "FBA CATALOG" and "Software catalog for Amazon Sellers". Below this, there's a search bar and a section titled "Accounting" with four product cards: "AmzRefund" (8% revenue share), "Refund Retriever" (50% revenue share), "FBA Hero" (starting at \$112/mo), and "AzXaccounting" (starting at \$49/mo). Below the accounting section, there's a section for "AMZfinder" with a description: "The powerful Amazon seller tool helps sellers monitor product reviews, automatically matches reviews with orders and enables sellers to contact buyers directly to remove negative reviews from all marketplaces." The AMZfinder card also includes a "Visit product" button and a detailed description of its features. At the bottom of the screenshot, there's a navigation menu with links for "home", "about", and "contact us".
