

Women's Energy Network – North Texas Chapter Announces their 2019 Mentoring Program and Upcoming March Events

DALLAS, TEXAS, UNITED STATES, March 1, 2019 /EINPresswire.com/ -- March will be a busy month for the Women's Energy Network– North Texas Chapter (WEN-NT) with multiple ways to get involved with WEN this month: 2019 Mentoring Program Kickoff, monthly luncheons in both Fort Worth and Dallas, a joint WEN-NT / DAPL / YPE event, as well as a volunteer opportunity with the Girl Scouts.

"WEN-NT is currently seeking applications for our mentoring program, which is entering its eighth year. The program has served as a platform for women in the energy industry to participate in active discussions around current topics, to navigate challenges at work, and to seek career guidance. The program will kick off in April 2019 and run through January 2020. Personally, over the years, the program has helped me make career transitions, discuss difficult issues as work, and draw boundaries between work and personal life." said Sucheta Gokhale, WEN-NT President-Elect and Mentoring Program Chair.

WEN will be hosting a Networking luncheon followed by a brief Chapter update by Monica Messick, WEN-NT President and Partner at Jackson Walker, LLP, on Thursday, March 7, 2019, at the Fort Worth Petroleum Club.
