RE/MAX Awards distinguish accomplishments of Affiliates during the preceding calendar year and their incessant pledge to clients.

We are just focused on moving things forward for our clients and doing no matter what we have to do to get the needs of our clients met. Receiving this type of award and recognition is such an honor".

What is unique about the team, and what makes them apart from the rest, is that the agents do not have to do their door knocking and prospecting. But they book the inside sales agents the appointments so the agents can only focus on servicing the customers and get the buyers home which matches their criteria and at the same time get the seller's house sold.
