

Braces for \$3,995 Available from Reading Orthodontist

Exeter Orthodontics offers Berks County braces and Invisalign.

READING, PENNSYLVANIA, UNITED STATES, March 7, 2019 /EINPresswire.com/ -- Reading orthodontists at Exeter Orthodontics are helping teens and adults achieve straighter smiles with affordable braces and Invisalign aligners. [Braces in Reading](#) cost only \$3,995.

Exeter Orthodontics prides itself on its low cost and its no-fee commitment. X-rays, retainers, repairs, adjustments, and even emergency visits are all included.

Invisalign aligners are also available for only \$3,995. These transparent aligners can be removed for eating and brushing, making them a popular treatment for adults who would like a straighter smile without wires or brackets.

"A consultation with our team of experts will help us find a treatment method best for your smile," says Dr. Soraya Mills, [orthodontist in Reading](#).

To learn more about [Berks County Invisalign](#) and braces, request an appointment with Exeter Orthodontics by visiting <http://www.exeterorthodontics.com/request-appointment/>. New patients are currently being accepted at all locations.

About Exeter Orthodontics: For several years, Exeter Orthodontics, a Pennsylvania-based orthodontic practice, has offered area patients braces and Invisalign treatments for as low as \$3,995. Its team of orthodontists remains dedicated to providing high-quality care at an affordable price. Learn more at <http://www.exeterorthodontics.com/>.
