KAMI IGUSA, TOKYO, JAPAN, March 7, 2019 /EINPresswire.com/ -- To coincide with the Rugby World Cup that is coming to Japan in September 2019, the second ever World University Rugby Cup (renamed to World University Rugby Invitational Tournament) will be hosted by Waseda University.

Starting just before the beginning of the Rugby World Cup on September 16th 2019 to September 25th 2019, the WURIT 2019 looks to bring 10 teams from universities all over the world together and give the students an opportunity to test out their abilities! The main ideals behind this tournament is to allow for the players to interact with students from other countries, allowing them to become more global.

One of the ways the committee behind the WURIT 2019 is looking to raise funds is through crowdfunding. The main aim of the campaign is to raise

money to create two big events during the tournament, one is an event for the players to interact with the local children allowing for these children to learn about rugby and other cultures. The other is to raise money to create for an after match function for the players so that
