

101VOICE Awarded 2018 Unified Communications Excellence Award from INTERNET TELEPHONY Magazine

101VOICE Managed Cloud VoIP services Recognized for excellence and quality in delivering unified communications solutions by the INTERNET TELEPHONY Magazine.

SANTA CLARA, CALIFORNIA, UNITED STATES, March 12, 2019 /EINPresswire.com/ -- [IT Management Corp](#), dba [101VOICE](#) announced today that [TMC](#), a global, integrated media company, has named 101VOICE Managed Cloud Services as a recipient of the 2018 Unified Communications Excellence Award presented by TMC's INTERNET TELEPHONY magazine.

101VOICE Awarded Unified Communications Excellence 2018

101VOICE is a leading provider of UCaaS (Unified Communications as a Service) to commercial businesses, schools, state and local government across the US. "For the past 10 years, we have

“

We have built our Cloud Communication family of services with robust UC features to be the last communication system any business will ever need to buy, as we provide all the updates & upgrade.”

Arman Eghbali

prided ourselves with offering state-of-the-art technologies and customized solutions built for businesses and their specific goals and requirements, in addition to the expected and traditional solutions every business demands,” said Arman Eghbali, President. “As a Managed Cloud Communications services provider, UCaaS from 101VOICE is the one place companies of all shapes and sizes can find the tools and flexibility they need to capture meaningful value for their business, integrated all in one place. 101VOICE offers the best value, and the best short term and long term return on investment available anywhere. In addition to feature-rich, managed cloud telephony, with 101TEXT and 101HUB, Galaxy WiFi, and

more, 101VOICE is the “one-stop-shop” to provide businesses everything they need for UCaaS. The 101VOICE family of services is the last communication system any business will ever need to buy,” said Eghbali.
