

# American Receivable is celebrating 40 years

*We are proud to be rated #1 among factoring companies nationally by multiple rating agencies.*

DALLAS, TX, UNITED STATES, March 8, 2019 /EINPresswire.com/ -- American Receivable is celebrating 40 years in the factoring industry. We are proud to be rated #1 among factoring companies nationally by multiple rating agencies. Since 1979, American Receivable has been working with a diverse group of small business owners helping them manage continuous growth through cash flow solutions. We attribute our continued success to our clients and our exceptional working partnerships within the financial industry. Owned and managed by the original managing partners, American Receivable offers exceptional customer service through a tenured and dedicated accounts management team. We work individually with each client to find the best cash flow solutions for their specific industry and business needs. American Receivable has helped growing companies meet their goals by providing the working capital essential to business operations. A growing business' greatest asset might be their accounts receivable, but banks are not likely to make these types of loans. Owners of rapidly-growing businesses with more opportunities than fixed assets are looking outside the banking world for this kind of financing. Call us today to learn more about our [invoice factoring](#) services and find out if receivable factoring is right for your business.
