

BRITISH AIRWAYS LAUDS HIGH FLYING ST. LUCIA RESORT

SOUFRIERE, ST. LUCIA, March 9, 2019 /EINPresswire.com/ -- St. Lucia's renowned luxury resort Anse Chastanet has received a British Airways Customer Excellence Award for 2018 with an impressive overall rating of 9.1 out of 10.

Speaking from Germany, where she is attending one of the world's leading travel trade shows, ITB Berlin, resort Executive Director Karolin Troubetzkoy attributed the award not only to location, but also to the hard work and dedication of the resort's staff.

"I have the honor of running an incredible resort in one of the most scenic and beautiful parts of the world. But more important, I have the distinct pleasure of working with some of the most exceptional hospitality professionals and incredible human beings you can come across," she explained.

The rating, which showcases hotels that make their guests happiest, is based on unbiased customer reviews. As part of its commitment to providing high-quality holidays, British Airways Holidays uses customer feedback to find and rate the best hotels. It works with Reevo, an independent third-party company, to collect customer reviews from genuine British Airways Holidays clients, who score hotels based on location, service, cleanliness, and sleep quality. Respondents also give the hotel an overall score out of 10.

Troubetzkoy also congratulated fellow St. Lucia hotels Bay Gardens Hotel, Bel Jou Hotel, Coco Palm, East Winds, Rendezvous, Serenity at Coconut Bay, and The BodyHoliday for being recognized by British Airways.

British Airways Holidays has gathered over 80,000 independent hotel reviews this year. In 2018, it awarded almost 450 Customer Excellence Awards across the globe to recognize its top-rated hotels.
