

Dark Corners by Reuben “Tihi” Hayslett Explores the Lesser Explored LBGQT Experiences

Reuben “Tihi” Hayslett’s Dark Corners collection of short stories explores the lesser visited experiences of those within the LBGQT communities.

LOS ANGELES, CA, USA, March 17, 2019 / EINPresswire.com/ -- Reuben “Tihi” Hayslett’s Dark Corners collection of short stories published by Running Wild Press, explores the lesser visited experiences of those within the LBGQT communities.

“It’s pleasing to see such a diverse array characters be so presented in such a normal way. Each individual is not presented as a token, but rather just another human being who has some real life issues that are often rendered invisible.” -- Wagatwe Wanjuki, feminist writer and activist

“The stories in this collection, written before and during the 2016 election, function as a kind of lodestar. They are not explicitly political, but politics hover unmistakably in and through all of them. They are not realist, but realism pervades even their most magical elements. This is their abiding strength.” -- Asam Ahmad, editor.

Press: Running Wild Press
Distributor: Ingram Book Distribution
Retail: \$19.99
Wholesale at 55% of retail pricing.
ISBN: 9781947041226

About Running Wild Press

Running Wild Press is for readers who want stories that don't fit neatly in a box. The world missed out on some of today's great voices because the stories didn't fit neatly in a category. Then Lisa was asked, "If that's how you feel, then do something about it."

Done.

Running Wild Press finds writing that illuminates our collective imagination, polishes it, and then shares it with readers.
