Dr. Chris Pittman, CEO of Vein911® Vein Treatment Centers

announced today that it has been named a Best Places to Work honoree by the Tampa Bay Business Journal. The program looks for companies that go beyond the norm to foster an enjoyable and meaningful work environment for their employees. Honorees will be celebrated on April 12, 2019 at George M. Steinbrenner Field in Tampa.

The Tampa Bay Business Journal Best Places to Work award has been awarded to some of the leading employers in the bay area. The program uses a three-step process where honorees must be nominated, supply

information on their employee benefits, and have employees take a survey on the working environment. The surveys are submitted anonymously and measure each organizations team effectiveness, retention risk, alignment with goals, trust with co-workers, individual contribution, manager effectiveness, trust in senior leaders, feeling valued, work engagement, and people practices.

“Ritz-Carlton service, Disney fun, FedEx delivery...to be America's choice in [vein care](#), is our bold vision”. That vision takes a winning culture and we work really hard to maintain it,” said Dr. Chris Pittman, Medical Director and CEO of Vein911® Vein Treatment Centers. “We care for our employees like our best customers and it is truly gratifying to be recognized for that.”
