

# AppFutura highlights the Top German App Development Companies of March 2019

*AppFutura is proud to present the Top German App Development Firms list, which includes almost 100 companies with verified client reviews.*

BARCELONA, SPAIN, March 20, 2019 /EINPresswire.com/ -- [AppFutura](#) highlights the Top German App Development Companies of March 2019

While Eastern Europe remains a popular outsourcing destination for IT development services, Germany has become a strong hub for app development, with many corporations setting up headquarters even if their development centers are in countries like Russia or Ukraine.

AppFutura, a leading IT & Marketing companies directory, has witnessed this tendency for years and is proud to highlight their directory for [Top Mobile App Development Companies in Germany](#). The list, which includes almost 100 companies, has been ranked by experts based on the expertise the companies have demonstrated as well as verified client reviews that they have received.

“

Germany has become a strong hub for app development, with many corporations setting up headquarters”

*AppFutura*

A lot of these companies hold offices in different parts of Europe and the world but have a strong presence in what currently is one of the leading economies in the European

Union. Here's an extract of some of the companies that ranked in top positions:

- Sibers
- Imperium Apps GmbH
- Startup Creator
- Zigtus Technolabs
- Lean Apps HmbH
- Concise Software
- ArtfulBits
- JRS Innovation
- DevExperts Team
- Actiworks Application Solutions GmbH

Other firms worth considering include Appmotion, Enough Software, Plazz, Noumentalia, WeLoveApps, Blitzblaster, SourceStream, Lightstorm3D, Quadecco or COBE.
