

Modular Management Group, Inc. constructs Temporary Office Modular Project at Randolph Air Force Base

FORT WORTH, TEXAS, UNITED STATES, March 22, 2019 /EINPresswire.com/ -- [Modular Management Group, Inc.](#) a leader in modular construction, announced today the successful construction completion of a Temporary Office Modular Project (TOMP) at [Randolph Air Force Base](#) in Texas.

The 13,104 square foot modular building was designed and constructed by Modular Management Group, Inc. In addition, the company will also provide the lease of the building.

The facility will serve as a temporary administrative office in support of the 19th Air Force during the renovation of their existing building.

The floor plan includes a vestibule, 21 offices, open spaces for office cubicles, two conference rooms, two IT rooms, break room, restrooms, storage and a janitor's closet. The modular building is equipped with canopies, steps and ramps meeting all ADA requirements.

“

We enjoyed working with the 19th Air Force personnel. They were very responsive and accommodating, which helped the project move along smoothly to meet our deadlines.”

David Dees, Project Manager

“We enjoyed working with the 19th Air Force personnel” said David Dees, Project Manager of Modular Management Group, Inc. “They were very responsive and accommodating, which helped the project move along smoothly to meet our deadlines.”

Modular Management Group, Inc. completed the Temporary Office Modular Project in mid-March of 2019.
