IT Partners

The IT industry is currently experiencing a significant consolidation; the larger firms are looking to capture market share through acquisition of smaller local and regional companies, opening up a massive opportunity for growth surrounding these mergers. IT Partners' goal is to acquire numerous companies in the areas of Cyber Security, Managed Services, Cloud Services, VOIP, Security and Surveillance, Project Management, IT Infrastructure, Data Center Facilities, and Software/App Development to eliminate redundancies and create rapid growth.

About IT Partners

IT Partners is an M&A investment group based in Tampa, Florida that purchases and nurtures tech companies and technologies throughout the United States. They look for hidden gems with owners who are ready to leave a lasting legacy for their clients, employees, and family by partnering with a group that has their best interests at its core; IT Partners' unique approach is to create a partnership that gives the seller two opportunities to exit: now to free up capital and pursue other interests, and a second to continue to participate, even in retirement.
