

\$IMTL Image Protect Insiders Currently Buying Stock In The Open Market

MIAMI LAKES, FLORIDA, UNITED STATES, March 25, 2019 /EINPresswire.com/ -- Miami, FL – March 24, 2019

(undergroundstocks.com Newswire) – UndergroundStocks.com, an elite wall street independent small cap media group with a history of bringing lucrative opportunities, Updates on Image Protect, Inc. ([OTC: IMTL](http://OTC:IMTL)).

Image Protect

Image Protect is a revolutionary technology platform for image rights management and protection, which seamlessly registers, manages, and monetizes digital content for the creative community. Using Artificial Intelligence, Image Protect streamlines image registration, management, protection and distribution, allowing content creators to benefit from new revenue models and faster payments.

Insiders Form 4s

Form 4 is a United States SEC filing that relates to insider trading. Every director, officer or owner of more than 10% of a class of equity securities registered under Section 12 of the Securities Exchange Act of 1934 must file with the United States Securities and Exchange Commission a statement of ownership regarding such security. The initial filing is on Form 3 and changes are reported on Form 4. The annual statement of beneficial ownership of securities is on Form 5.

The image block contains two main visual elements. On the left is the Image Protect logo, which features a stylized 'i' icon followed by the text 'imageprotect'. On the right is a screenshot of the IMTL stock page from a financial website. The page shows the stock price at 0.00951, with a green upward arrow indicating a price increase. Below the price, there is a section titled 'FILINGS AND DISCLOSURE' which lists various SEC filings, including 'Supplemental Information', 'Quarterly Report', and 'Annual Report'. The filings are organized into a table with columns for 'Filing Type', 'Filing Date', and 'Filing Link'. The table shows several filings from 2018 and 2019, with links to view the filings in PDF, HTML, or XLS format. Below the table, there is a section titled 'SEC Filings' which provides a summary of the filings, including the filing type, filing date, and filing link.

The forms contain information on the reporting person's relationship to the company and on purchases and sales of such equity securities.

Form 4 is stored in SEC's EDGAR database.

A Form 4 must be filed before the end of the second business day following a change in ownership of securities or derivative securities (including the exercise or grant of stock options) for individuals subject to Section 16 of the Securities Exchange Act of 1934.

On March 20, 2019 the company [released six form 4s filings](#), this is usually a good sign for shareholders. If insiders are buying the stock, it is a positive indicator. After all, who better to know the current business environment and the future prospects of the company than the insiders.
