Brunoro Law—a firm specializing in helping individuals and businesses with tax-related matters— highlights one of its specialty service offerings: tax planning.

SAN DIEGO, CA, UNITED STATES, March 27, 2019 /EINPresswire.com/ -- Brunoro

Law, a leading San Diego international tax law firm, provides countless services to US citizens, multinational families, and non-resident aliens immigrating to the United States. Many negative comments are made about people and businesses that take advantage of "tax loopholes," but Brunoro Law argues that these so-called loopholes are in place because the government wants to incentivize certain kinds of behavior.

Engaging in [tax planning](#) is vital—if left unfinished, excess money is essentially donated to the government that could have been saved to provide for yourself and your family. Legally minimizing your tax obligation is one of Brunoro Law's specialties. The legal experts at the San Diego firm have extensive experience dealing with estate planning for US citizens and multinational families, plus international

tax planning and issues for individuals and businesses. Brunoro Law helps its clients reduce their tax burdens while defending plans that clients have put into place during IRS challenges.
