

Key topics and senior expert speakers announced for Future Armoured Vehicles Weapon Systems 2019

SMi Reports: Experts from NATO-aligned military nations will be presenting key briefings at Future Armoured Vehicles Weapon Systems 2019 in London.

LONDON, UNITED KINGDOM, March 27, 2019 /EINPresswire.com/ -- [SMi's 4th annual Future Armoured Vehicles Weapon Systems](http://www.fav-ws.com) will be taking place in London on the 5th and 6th June 2019 in London. The conference will bring together, not only senior military personnel to network, but also leading technical directors and engineers from industry and senior military experts to update attendees on key aspects of the solutions within the sector.

For those interested in attending, the £200 Early Bird discount is ending this week at midnight on Friday 29th March 2019. Places can be reserved at <http://www.fav-ws.com/einpress>

The poster features the SMi logo in the top right corner. The main text reads: 'FUTURE ARMOURED VEHICLES WEAPON SYSTEMS' in large, bold, white letters, followed by '5th-6th June 2019 | London, UK' in green. Below this is a close-up image of a gun barrel. At the bottom, the website 'www.fav-ws.com' is displayed in white on a black background. Below the poster, the text 'Future Armoured Vehicles Weapon Systems conference 2019' is written in a smaller font.

Conference delegates will hear keynote briefings from senior experts from leading armoured vehicle programmes from across the NATO-aligned world. For those interested in attending, the Key takeaways for the 2019 conference include:
