

Rule Breaker Snacks Hits Kickstarter Goal In Under Two Hours, 200% in First Week; Eyes New Goals To Expand Product Line

Creator of Vegan, Gluten-Free, Allergy-Friendly, Bean-Based Treats Looks To Offer New Flavor Options with Continued Crowdfunding Success

NEW YORK, NY, USA, March 29, 2019 /EINPresswire.com/ -- [Rule Breaker Snacks](#)[®], maker of innovative vegan, gluten-free, bean-based treats today announces it has reached a significant milestone in its Kickstarter crowdfunding campaign, having doubled the initial backing goal at the one week mark. The company reached the initial goal in less than two hours after launch, triggering development of a second product line for the company, [Rule Breaker Bites](#).

Created by former health journalist and certified health coach Nancy Kalish as she searched for better-tasting, better-for-you sweet treats, the original full-size Rule Breaker Snacks have made quite a splash over the past few years. The new Rule Breaker Bites are just as they sound, luscious little bites of brownies, blondies and birthday cake that are just as perfect for snacking on right out of the pouch as they are for adding to a smoothie or sneaking into a lunchbox.

"I am so very grateful to all of the fans and supporters who helped us reach our initial Kickstarter goal so quickly, they have made our new Rule Breaker Bites a reality," says Nancy Kalish, founder of Rule Breaker Snacks. "We are readying our bakery for the first run of Rule Breaker Bites and have even more exciting things ahead! We are really hoping to meet our stretch goals so we can bring even more exciting flavors of Rule Breaker Bites to our fans!"
