

Black Diamond Advanced Technology confirmed to sponsor and exhibit at Future Armoured Vehicles CEE 2019

Smi Reports: Black Diamond Advanced Technology will be sponsoring, speaking & exhibiting at Future Armoured Vehicles Central and Eastern Europe this May.

LONDON, UNITED KINGDOM, April 3, 2019 /EINPresswire.com/ -- [The 5th annual Future Armoured Vehicles Central and Eastern Europe](http://www.futurearmouredvehicles.com/einpress)

Conference is returning to Prague, Czech Republic next month, on the 20th and 21st May. The conference will provide a comprehensive overview of the latest developments from the Czech Armed Forces as they outline their IFV procurement plans in a bid to increasingly modernise their land forces by 2026.

Black Diamond Advanced Technology have recently confirmed to sponsor, exhibit and present (presentation details to follow) at the two-day conference.

Delegates will also hear industry talks from leading OEM's and innovators including Rheinmetall Landsysteme GmbH, Microflown AVISA, CMI Defence, Lockheed Martin UK, IBD, Soucy Group, and more.

With over 4 hours of networking, the 2019 conference will provide a platform to build strategic partnerships and secure future collaborations. For those interested in attending, register for the conference at <http://www.futurearmouredvehicles.com/einpress>

Plus, SMi Group are delighted to welcome the expertise of, Mario Blokken, Director Permanent Secretariat, European Army Interoperability Centre, Finabel, onto the 2019 agenda. Mario's presentation will deliberate new trends and challenges in armoured vehicle interoperability, exploring upgrades and updates, building on common goals, assessing future barriers to allied interoperability and coordination.

A few of the many confirmed speakers include:

Major General Jaromir Zuna, 1st Deputy Chief of Staff, Czech Armed Forces, presenting on the future for the Czech Armed Forces.
