

Medify Air Grows Partnership with Walnut Creek Marriott

DOVER, DE, USA, April 4, 2019 /EINPresswire.com/ -- Medify Air is proud to announce the continued partnership with the Walnut Creek Marriott Hotel located near downtown Walnut Creek in San Francisco's East Bay. On March 15, 2019, Walnut Creek Marriott added an additional thirty AireSpa® medical grade systems to their property, totaling sixty AireSpa® rooms.

"We are very pleased to continue this partnership with Walnut Creek Marriott and help bring cleaner air and personalized amenities to even more of their guests," said J. Henry Scott, Founder of Medify Air. "This has been a successful relationship for the past few years, when we first added AireSpa® rooms to enhance their guest experience. We are thrilled they've noticed the impact of our medical grade air purifiers."

Medify Air has filled a gap in the air purifier industry with its flagship product, the MA-100a AireSpa® system. This unit includes a medical grade HEPA air purifier, a UV-sanitized cool mist humidifier, essential oil aromatherapy fragrances, and soundscape options. All of these functions are easily controlled with a touchscreen remote. Hotels can additionally monitor activity in real-time, respond to service requests, review billing, and create reports through the AireSpa® Management System portal.

“

[AireSpa rooms] are a great way to feel like you are at home. Just dial in your mood.”

Eddie Adair, General Manager of Walnut Creek Marriott

“At the Walnut Creek Marriott, AireSpa rooms are highly popular among our guests,” said Eddie Adair, General Manager of Walnut Creek Marriott. “The AireSpa is just one of the many ways we aim to bring health and wellness options to our guests. They’re a great way to feel like you are at home. Just dial in your mood.”
