

The Legal Services Market To Grow At An Annual Growth Rate Of 4.5% Till 2021

The global legal services market is expected to grow from around \$850 billion in 2017 to above \$1 trillion in 2021 at an annual growth rate of more than 4.5%.

LONDON, GREATER LONDON, UK, April 5, 2019 /EINPresswire.com/ -- The global legal services market is expected to grow from around \$850 billion in 2017 to above \$1 trillion in 2021 at an

annual growth rate of more than 4.5%. Rising investments, increasing competition and mergers and acquisition activity will drive the demand for legal services during 2017-21. Factors such as expansion of international legal service providers to different countries, constructive government policies and cost-effective legal expertise will further contribute to the growth of the global legal services market.

Legal services companies advise clients (individuals or corporations) about their legal rights and responsibilities and represent clients in civil or criminal cases, business transactions, and other matters of legal advice and assistance.

Global [Legal Services Market, Opportunities And Strategies To 2021](#) is one of a series of new reports from The Business Research Company that provides legal services market overviews, analysis and forecasts of legal services market size and growth for the whole market, legal services segments and legal services market by geographies, legal services trends, legal services drivers, legal services restraints, legal services industry's leading competitors' revenues, profiles and market shares.
