

# Launch of APOS Trends in Orthodontics

Scientific Scholar a USA based publisher (<https://scientificscholar.com>) is proud to announce the launch of APOS Trends in Orthodontics a open access journal.

MUMBAI, NEW YORK, INDIA, April 12, 2019 /EINPresswire.com/ -- Scientific Scholar a USA based publisher (<https://scientificscholar.com>) is proud to announce the launch of APOS Trends in Orthodontics an open access journal. APOS is a leader in Orthodontics publications and is under the able leadership of an Internationally renowned Editor- Dr Prof. (Dr.) Nikhilesh R. Vaid. He is assisted by an excellent team of [Editorial board](#) members from across the globe.

## About the Journal:

APOS Trends in Orthodontics, a publication of APOS Publications, Official publication of the Asian Pacific Orthodontic Society, is a peer-reviewed journal with Quarterly print compilation of issues published. The journal's full text is available online at <https://apospublications.com>. The journal allows free access (Open Access) to its contents and permits [authors](#) to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal does not charge for submission, processing or publication of manuscripts and even for color reproduction of photographs.

“

Orthodontic advancements today encompass a better understanding of holistic health related patient centric outcomes, affecting Quality of Life - not only after treatment, but also during it.”

*Dr.Vaid*

## Scope of the journal

The journal is an orthodontic specialty journal, and aims to provide its readers state of the art information on orthodontic advances both in the research and clinical arena. Potential authors may submit original research conducted after ethical clearances, clinical case reports, clinical/technique pearls and book reviews. Systematic reviews and , descriptive reviews are welcome. We welcome research that follows the CONSORT, PRISMA, STROBE and STARD guidelines. The experts' corner in every current issue is an invitational article to a professional with expertise in a given area of orthodontics, as determined by the editorial board.

Cover Page

The journal respects the scientific submission of its authors and believes in following an expeditious double-blind peer review process and endeavors to complete the review process within scheduled time frame. A significant effort from the author and the journal perhaps enables to strike equilibrium to meet the professional expectations of the peers in the world of

scientific publication. APOS Trends believes in safeguarding the privacy rights of human subjects. In order to comply with it, the journal instructs all authors when uploading the manuscript to also add the ethical clearance (human/animals)/informed consent of subject in the manuscript. This applies to the study/case report that involves animal/human subjects/human specimens, e.g., extracted tooth parts/soft tissue for biopsy/in-vitro analysis.
