

iEntertainment Network and MicroProse to co-publish WarBirds 2020

iEntertainment Network and MicroProse to co-publish WarBirds 2020 using Unreal 4 Graphics Engine

CARY, NC, USA, April 9, 2019 /EINPresswire.com/ -- MicroProse PTY and [iEntertainment Network](#) Inc., Announce Co-Publishing of [WarBirds 2020](#), Online Combat Flight Simulation

CARY, N.C. – April 8th , 2019 – iEntertainment Network Inc., (OTCBB: IENT) and the MicroProse PTY LTD company announce a partnership agreement for Development and Co-Publishing of a new WarBirds 2020 World War II flight simulation that has been successfully entertaining millions on virtual online pilots since 1995.

MicroProse PTY LTD is a relaunch of world-famous simulation software company, [MicroProse Software](#), known for such successful simulation games as F-15 Strike Eagle, F-19 Stealth Fighter, Gunship, and many more sim products that sold millions of copies each at retail.

MicroProse PTY CEO, David Lagetti, says, “I am excited to work with IENT and co-founder of the original MicroProse Software, Bill Stealey, to produce the next generation of WarBirds 2020, WW II combat flight simulation using new modern technology and promoting the sim with great marketing worldwide again.”

“

We are very excited to be partnering with MicroProse to update our very successful WarBirds 2020 product for WW II combat flying simulation fans around the world.”

*JW Wild Bill Stealey, Lt.
Colonel, USAF Retired*

David Lagetti is Founder and CEO of Titanim, (<http://titanim.net/www/>), an established and successful military simulation company with software being used for training militaries around the world. David intends to bring other great simulation products to the new MicroProse PTY portfolio of games with the first new game to be Burning Worlds in 2020.

IENT CEO, JW “Bill” Stealey, says, “It is exciting to see our

MicroProse Software company grow again to do great simulation games! We are very excited to

Unreal 4 Graphics for WarBirds 2020

Coming soon WarBirds 2020 with Unreal 4 graphics

be partnering with David and his team to update our very successful WarBirds 2020 product for WW II combat simulation fans around the world.”
