

# Trifecta Pharmaceuticals USA and Walmart launch distribution partnership

*Popular hemorrhoid treatment will be available in-store from April 2019*

FORT LAUDERDALE, FL, UNITED STATES, April 8, 2019 /EINPresswire.com/ -- [TRIFECTA PHARMACEUTICALS USA](#), a leading developer, manufacturer and distributor of specialty OTC topical ointments, creams and gels, today announces its inaugural distribution partnership with [Walmart](#).

[Mayinglong](#) hemorrhoid ointment, a known and trusted treatment for the pain and discomfort associated with hemorrhoids, will be available on Walmart's shelves from April 2019. Mayinglong hemorrhoid ointment combines popular compounds used in Traditional Chinese Medicine with an easy-to-apply formulation.

Trifecta Pharmaceuticals USA Chief Executive, Mr. Gregory Brondou, said, "We are delighted to partner with Walmart to bring Mayinglong hemorrhoid ointment, a safe, effective hemorrhoid treatment, to consumers across the United States. Around 15 million Americans are currently experiencing hemorrhoid symptoms, and we're proud to bring this FDA registered treatment to Walmart's customers."

Mayinglong (Ma-Ying-Long) ointment contains seven traditional Chinese compounds, including those derived from rosemary oil, pine resin and powdered pearl, as well as other proteins and minerals providing antioxidant, astringent and moisturizing properties. The ingredients contained in Mayinglong hemorrhoid ointment have been used in Asia since 1582.

Traditional Chinese medicine principles have been embraced as part of a holistic approach to health care in the US for many years. Mayinglong hemorrhoid ointment will be available for purchase at your local Walmart from April 2019, in local independent pharmacies and online at [www.mayinglongusa.com](http://www.mayinglongusa.com).
