

Methodist Hospital of Southern California Named 100 SafeCare hospitals® for the Fifth Consecutive Year

Recognized for low infections, low readmissions, low complications, high patient satisfaction, and high value by The SafeCare Group®

LEXINGTON, KY, USA, April 9, 2019 /EINPresswire.com/ -- For the fifth consecutive year Methodist Hospital of Southern California was recognized a [100 SafeCare Hospitals®](#) by [The SafeCare Group®](#) for low infections, low readmissions, low complications, high patient satisfaction, and high value.

“Congratulations to Methodist Hospital of Southern California on achieving 100 SafeCare Hospitals five consecutive years,” Yisrael Safeek, MD, MBA, CEO, The SafeCare Group. “For 2019, Cleveland Clinic and Mayo Clinic are at the top of the list.”

100 SafeCare Hospitals has become synonymous for Recognizing Healthcare Excellence® from its holistic, evidence-based metrics that reflect a balanced scorecard of healthcare excellence. Recognizing Healthcare Excellence refers to 100 SafeCare Hospitals that excel in evidence-based metrics of the hospital value based (HVBP), hospital readmissions reduction (HRRP), and hospital acquired conditions reduction (HACRP) programs.

“

Congratulations to Methodist Hospital of Southern California on achieving 100 SafeCare Hospitals five years in a row”
*Yisrael M Safeek, MD, MBA,
Chairman & CEO of The
SafeCare Group®*

Intelligence (AI) to realize game-changing clinical, operational, and financial opportunities for hospitals. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) to realize game-changing clinical, operational, and financial opportunities for hospitals. We call it

100 SafeCare Hospitals is truly disruptive to the healthcare status quo as hospitals that performed poorly on these evidence-based metrics receive a financial penalty from the CMS. The 100 SafeCare Hospitals listings have the two-pronged goal of giving objective transparency to consumers and incentivizing hospitals to improve care and reduce unnecessary errors that harm patients.

About The SafeCare Group®
The SafeCare Group® was founded in 2010 and its motto is “Innovating, Disrupting, Transforming” healthcare. Since 2016, The SafeCare Group invested heavily into Artificial

SafeCare Applied Intelligence™ or [SafeCare AI™](#) for short: SafeCare AI - Reduce Redundant Labs; SafeCare AI - Lower Hospital Charges; SafeCare AI - Cut Avoidable Readmissions; SafeCare AI - Prevent Medical Errors. SafeCareSoft™ SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. At Methodist Hospital of Southern California, our highest priority is to provide the safest care and best possible outcomes for all of our patients. We take great pride in being named to The SafeCare Group's list of 100 SafeCare Hospitals for patient safety, quality and efficiency for five consecutive years. Such recognition validates the collaboration of our physicians, nurses and management to ensure safe, high quality patient care at every point of contact.

- Dan F. Ausman, President & CEO,
Methodist Hospital of Southern California

Congratulations to Methodist Hospital of Southern California on achieving 100 SafeCare Hospitals five years in a row for low infections, low complications, low readmissions, high patient satisfaction, and best value.

- Dr. Yisrael Safook, President
& CEO, The SafeCare Group®

About Methodist Hospital of Southern California

Methodist Hospital of Southern California, located in the city of Arcadia, is a full-service, general acute care hospital with 400 licensed beds. With a medical staff of over 600 physicians, Methodist Hospital offers a wide range of clinical services, including labor & delivery, neonatal intensive care; cardiac care, including cardiac catheterization, electrophysiology, and cardiac surgery; orthopedics, including joint replacement and spine fusion surgery; neurosurgery; cancer care, including our GYN Oncology Institute, and our Colorectal Surgery Institute. Methodist Hospital operates an acute physical rehabilitation unit for patients with stroke, spinal cord injury or brain trauma, as well as a full-range of diagnostic imaging services, including MRI, 320-slice CT, mammography, nuclear medicine, and ultrasound. Methodist Hospital actively supports community needs with robust outreach programs that include screenings, health fairs, nutritional counseling, support groups, and physician seminars.
