

Bay Area Credit Union Offers Online Money Management Tool

1st United Credit Union offers a free, online tool to help their San Francisco East Bay Area

CA, USA, April 10, 2019 /EINPresswire.com/ -- [Bay Area Credit Union](#) Offers Online Money Management Tool

[1st United Credit Union](#) offers a free, online tool to help their San Francisco East Bay Area members manage their finances. Money Manager allows members to view and manage all of their financial accounts in one place, taking control of where their money goes.

The latest offering from the Bay Area Credit Union is a free service that will offer members a complete view of their accounts with 1st United and other banks or financial institutions. The intuitive service makes it easy for users to set goals and alerts to keep savers on track to meet their long-term financial goals.

Now Offering an Easy Way for Credit Union Members to Manage Finances Online

Money Manager from 1st United Credit Union can help members manage finances in 5 beneficial ways:

1. Tracking Money

Because Money Manager connects with more than 12,000 financial institutions worldwide, members can easily access information from both inside and outside of the credit union. The tool allows members to add their income, credit card balances, loans, and investment accounts in one convenient place.

2. Creating a Basic Budget

The online tool features a Budget tab that allows members to create an individualized budget and set spending limits on groceries, transportation, gas dining out, clothing, and more.

3. Setting Goals

The Money Manager Goals tab allows members to choose a specific type of savings goal or create their own. Choose a deadline for the goal and the tool will calculate how much needs to go towards the goal each month, tracking progress along the way.

4. Creating Alerts

Money Manager offers account alerts by text or email to notify members about important information regarding their finances.

5. Watching Progress

The Money Manager dashboard page offers an excellent opportunity for members to watch their progress, monitor goals, and adjust spending as needed.

Become a Member of 1st United & Set Up a Money Manager Account

Members of the Bay Area Credit Union have free access to the Money Manager tool. They can simply set up an account, watch the helpful how-to videos, and take back control of their finances. For extra assistance contact a nearby 1st United Credit Union branch.
