

# Altaaqa Global Energy Services Wins Power Projects in Sri Lanka

*Company awarded contracts to supply 18 MW on two sites for six months*

DUBAI, UNITED ARAB EMIRATES, April 11, 2019 /EINPresswire.com/ -- [Altaaqa Global Energy Services](#), a leading global provider of integrated energy solutions, has been awarded new contracts to supply 18 MW on two sites for six months by the Ceylon Electricity Board, Sri Lanka's electricity company.

The power plants in Mahiyanganaya and Polonnaruwa, with capacities of 10 MW and 8 MW respectively at 33 KV, are to be delivered within 30 days.

"We are honoured by the trust that the Government of Sri Lanka has put in our capabilities to rapidly deliver an effective power solution," said [James Shepherd](#), CEO of Altaaqa Global. "We are pleased to be an integral part of the country's initiatives to provide reliable power to its industries and domestic users. We are confident that these power plants will create a positive impact on the quality of

“

We are confident that these power plants will create a positive impact and we look forward to further investing in the Sri Lanka's power sector through our solar and hybrid solutions"
