PAINTSVILLE, KENTUCKY, UNITED STATES, April 16, 2019

[/EINPresswire.com/](http://EINPresswire.com/) -- When people lose weight, they have more confidence. When people earn more money, they have more confidence. Linda Steinkoetter helps people do both.

Linda Steinkoetter is an independent distributor and advisor for AdvoCare, a world-class nutrition company specializing in health and wellness, weight management, vibrant energy and sports performance. AdvoCare offers cutting-edge nutritional supplements as well as the opportunity to earn income by sharing AdvoCare products with others.

"We're giving you the tools to help you get a better body, to help you with your nutrition, and make you an all-around happier person," says Linda. "We coach people in better health, and we coach people in how to earn a little side money if that's what they want to do."

Founded 26 years ago by the late Charles Ragus, AdvoCare is driven by a desire to help people improve their lives. Ragus chose the name AdvoCare to express his commitment to be an advocate who cares for others.

"We're like a big family and we help each other with our businesses and growing our teams," says Linda. "I am proud of our guiding principles, that we stick to Charlie's dream and we never deviate from it."

AdvoCare's products are formulated by an elite scientific and medical advisory board with over 200 years combined experience in pharmacology, toxicology, nutrition, sports performance and pediatrics. AdvoCare's product endorsers include professional athletes, champion amateur athletes and acclaimed entertainers.

Linda began her relationship with AdvoCare as just a regular preferred customer enjoying the company's products.

"I started seeing people that I knew making money on the side," says Linda. "Whether you want to use the products, , take advantage of the discounts or sell the products yourself, AdvoCare can help change your life. I'm good at selling the products and I'm getting better at recruiting. This is secondary income, but my goal is to make it a full-time."

AdvoCare offers five product lines of safe and effective products that support weight loss, sports nutrition and energy. Each of the lines are tailored to fit the needs of customers based on their nutrition and wellness goals.

AdvoCare's biggest products are Spark®, which boosts your energy and helps you focus, and Rehydrate®. With 71% less sugar than any Gatorade®, Rehydrate® is now an official sponsor for Major League Soccer and NASCAR.

CUTV News Radio will feature Linda K. Steinkoetter in an interview with Jim Masters on April 18th at 2pm EDT.
