MANCHESTER, LANCASHIRE, UK, April 15, 2019 /EINPresswire.com/ -- Henley

Business Group, brokers of quality businesses, looks forward to deepening its relationship with the accountancy community. Director Norman Younger FCCA, observes that the role of the accountant will evolve into a trusted business adviser for more practitioners, more of the time. This will fuel the need for collaborative working with experts on the buy and sell sides of business transfer, who are trained negotiators with experience in the due diligence process. Accountex is the ideal forum to explain our message to an audience who are feeling the winds of change.
