(4/19/2019, Pittsburgh, PA): The National Veteran-Owned Business Association (NaVOBA) was honored last week to join the coalition representing the [National Business Inclusion Consortium](#) (NBIC), a coalition of the nation's leading business organizations representing diverse communities. NaVOBA strives to maximize marketplace and supply chain access and competitiveness for

America's Veteran's and Service-Disabled Veteran's Business Enterprises (VBEs/SDVBEs) through certification, advocacy, outreach, education and recognition.

“

NaVOBA applauds the NGLCC for its pioneering work to create collaboration across the full scope of the diverse business community, including the Veteran's community.”

NaVOBA President Matthew Pavelek

NaVOBA and the NBIC share symbiotic goals to advocate for the business interests of a diverse range of people. NaVOBA also aligns with the NBIC's desired outcome of parity in cross-segment diversity and inclusion initiatives in corporate America, and we actively strive to collaborate across diverse business communities and advocate for the advancement of policies that support the growth of diverse-owned companies. Including the perspective from NaVOBA's Certified Veteran's Business Enterprises®, Board

of Directors, Founding Partners and Corporate Allies ensures that the veteran's entrepreneurship community is represented in accomplishing the NBIC mission of inclusion across the diverse business community.

“NaVOBA applauds the National LGBT Chamber of Commerce (NGLCC) for its pioneering work to create collaboration across the diverse business community,” said NaVOBA President Matthew Pavelek. “Inclusion of the Veteran's Community ensures that all diverse business communities are represented.”

NaVOBA's Veteran's Business Enterprise of the Year® awards have celebrated the incredible diversity of America's military entrepreneur community. Veterans are literally everybody. They come from every walk of life that makes America great. The common tie that connects all these unique individuals, however, resides with the fact that for the last four decades each and every

one of the brave Americans have volunteered to serve our nation in uniform. NaVOBA was honored to collaborate with our friends at the National LGBT Chamber of Commerce to celebrate the first ever LGBT Veteran's Business Enterprise of the Year® as part of the LGBTUnity Conference in Philadelphia last year and we're excited to collaborate again for this year's event.
